

KINGS CROSSING
Golf Club

“KC GIVES”

Kings Crossing Golf Club is proud to be a “Giving” Club. One of our main Mission tenets is to build a culture of giving and philanthropy. At KC we are blessed with wonderful members and guests that have embraced our philosophy to support special causes in our community and region.

The foundation of our giving commitment has grown from our life experiences, from those of our members and guests and a goal to bring dollars to events and causes that hit close to home.

Each year thousands are donated in cash a prizes. The recipients of KC Gives continues to grow each year:

Toys of Tots
