

KINGS CROSSING
Golf Club

“KC GIVES”

Kings Crossing Golf Club is proud to be a “Giving” Club. One of our main Mission tenets is to build a culture of giving and philanthropy. If you have played in a KC event you have taken part in our charity 50/50 raffles of which numerous charities have benefited. At KC we are blessed with wonderful members and guests that have embraced our philosophy to back to special causes in our community.

The foundation of our giving commitment has grown from our life experiences, from those of our members and guests and a goal to bring dollars to events and causes that hit close to home.

When you play at KC or in a KC event you experience “KC Gives” with our 50/50 raffles, our community donations and our “Swipe for a Cause” credit card payment program.

Each year thousands are donated in cash a prizes. The recipients of KC Gives continues to grow each year:

Toys of Tots

North Kingstown Food Pantry

Wounded Warriors
